Mental Health Disparities in the Community

OCTOBER 6-10, 2004
ATLANTA, GEORGIA

AMERICAN PSYCHIATRIC ASSOCIATION

Sponsored by:

Center for Mental Health Services,
American Psychiatric Association Committee
on Poverty, Homelessness and Psychiatric Disorders,
and Department of Psychiatry,
State University of New York, Downstate

OVERVIEW

The Center for Mental Health Services of the Substance Abuse and Mental Health Services Administration, U.S. Department of Health and Human Services, the American Psychiatric Association Committee on Poverty, Homelessness and Psychiatric Disorders, and the Department of Psychiatry, State University of New York, Downstate, are pleased to offer this special full-day session for trainees of all disciplines.

SESSION GOALS

This training session will bring together many of the national leaders who provide mental health services to individuals who are homeless and have serious mental illnesses. The goal is to encourage more mental health professionals to work with people who are homeless with serious mental illnesses and with the organizations that provide services and supports to this population.

The format will include formal presentations; clinical consultations; and panels of providers, consumers, and policymakers. Participants will also have the opportunity to discuss strategies with their colleagues across disciplines.

WHO SHOULD ATTEND

The session focuses on orienting psychiatrists, psychiatric residents, and other human service professionals to work with individuals who are homeless with mental illnesses.
